Irma Rangel Young Women's Leadership School
One-to-One Laptop Program
Student Laptop Computer Contract

- ____ 1. Using any laptop or portion thereof other than the one issued to me may be a violation of DISD Acceptable use policy. (i.e. charger)
- ____ 2. Installation of unauthorized or unlicensed software is prohibited.
- ____ 3. Copyright laws will be strictly observed and enforced.
- ____ 4. Altering, deleting, or installing unauthorized software may result in student suspension.
- ____ 5. Moving, reconfiguring, or tampering with hardware may result in student suspension/expulsion. Tampering includes but is not limited to the following:
 - Changing, altering, or deleting settings, including changing the home page in browser.
 - Adding, or deleting any programs or setups (No pictures as desktop background)
 - Adding passwords or other lockout devices
 - Maliciously damaging any equipment such as removing keys, defacing hardware or dis-assembling a mouse.
- ____ 6. To avoid viruses, any disks, USB Drives, or other files brought from home and/or off campus will be subjected to a virus check prior to being viewed on the school equipment.
- ____ 7. Dallas ISD's Internet policies (Electronic Communication and Data Management, CQ-Local) will be strictly enforced when accessing the Internet. Violation of this policy may result in denial of Internet use at school and/or other disciplinary actions.
- ____ 8. No stickers or permanent markers are to be used on the cover or inside on the keyboard.
- ____ 9. Your laptop computer must be here every day with a fully charged battery and all power cables. If you forget your laptop more than once a grading period the privilege of taking it home may be revoked and you will need to check out and return a loaner on a daily basis.

The information in this box is to be completed on the day the laptop is issued.
